Address: Buenos Aires, Argentina

Personal Statement

I am a seasoned software engineer with over 10 years of experience specializing in WordPress development. Throughout my career, I have worked on a wide range of projects, from small business websites to complex, high-traffic platforms. My experience spans working for both startups and large organizations, where I have contributed as a tech lead and senior developer. I excel in creating customized, scalable solutions, improving performance, and leading development teams.

Skills
